Korean Honorifics Lesson!

Nim - A formal way of addressing someone typically older and/or more respected than you

Ssi - A formal way of addressing someone you do not know or are unfamiliar with

Nuna - A friendly way of addressing an older woman near your age if you're a guy

Hyung - A friendly way of addressing an older man near your age if you're a guy

Unni - A friendly way of addressing an older woman near your age if you're a girl

Oppa - A friendly way of addressing an older man near your age if you're a girl
Oppa is also used (though not synonymously) by girls addressing their boyfriends

Ajumma - Older woman typically aged between mid/late 30's – early 50s. Calling someone younger than mid 30's this is rather offensive

Ajussi - Older man typically aged between mid/late 30's – early 50s. Korean men, especially those in their 30s, prefer to be called hyung/oppa by those younger than him rather than Ajusshi

Sunbae - Is used to address senior colleagues or mentor figures, e.g. students referring to or addressing more senior students in schools

Hubae - Is used to refer to juniors. However, the term is not normally addressed to them directly, and is mainly used in the third person.
This is nearly identical in Japanese with Senpai/Kohai honorifics

Naeuri - Was used by commoners in the Joseon Dynasty to refer to people of higher status but below "His Excellency"

Seonsaeng – Commonly translated as 'teacher", has much more formality and is used to show respect to the addressee. It is related to the Japanese honorific, "sensei" and shares the same pair of Chinese characters, representing 'mister' or 'one born earlier' (literal)

It's about time you learn them!

A DIARY OF TROUBLESOME ADVENTURES

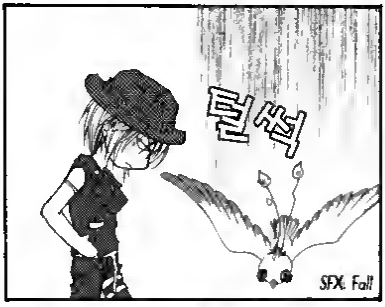
Spirit's leader
Changed school
because of his girlfriend
W...what is this? When did they take this picture...
You! Get down here now!
Now... I'll admit that I'm not an expert in the customs and habits of Earthlings,

but I'm getting the feeling that I shouldn't go down there.
Haru's anger meter rises sharply
할 할
So you won't come down willingly...
SFX: angry

SPRAY
Bug spray
Please don't try it at home



릴 씩
SFX: Fall

THAT'S WHAT I WANT TO SAY! WHAT ARE YOU GOING TO DO NOW? HOW ARE YOU GOING TO FIX THIS?!
Ugh... what do you think you're doing?!
콜록 콜록

Isn't this for the best?
You hold that girl dear to your heart...
Besides, isn't she your little brother's fiancee?
I never go after girls who are already in a relationship
Hmph! She's too good for an idiot like him!
Heh

You're not really honest, are you?
You didn't mean anything you said to your brother last time.
The only honesty you showed was when you were surprised by the fact that your little brother lost his memories
I guess it's because we're sharing the same body at the moment, but I could tell how you really feel.

No, I really meant it when I said that he was the most useless and the weakest.
Oh... I see...
I guess that's why...
I was always so worried about him.
SFX Blush
Ah!
화
W...what I've just said is a secret. You'll keep a secret, right?
O-okay...

He's my cute little brother, yes.
But as an older brother and a fellow prince, it's also frustrating that I wasn't chosen for the throne.
I also want to test something...
So just pretend you don't know anything.
?
I got it
And also, don't tell anyone about that other thing. Okay? A man's word!

I have absolutely nothing to do
with that newspaper article!
I will KILL anyone who even brings it up.

What's with that?! Why doesn't she just advertise it while she's at it?
SENIORS
She's not even that pretty up close.
Hey! Who do you think you are, hugging and flirting around with Haru?
SFX: Anger

M-mecha-nical pencil?
Steam
It's actually stuck on the wall
SFX: Pierce
You two $#%&heads Can't you read the sign?
No respect for her elders when she's angry.
Or did you forget how to read Korean?
How many times Should I hit you before you remember? Huh?!
Ahh! I'm Sorry!
SFX: -slide

I knew this was going to happen...
Kya~
It's really Haru!
Even the hallway is filled with girls...
!
SFX: Du du du du
뚜뚜뚜뚜
She can see him because of the necklace Yohan gave her

꽉
SFX. Grab
Yeah... so this is all your fault...
WHAT- WHAT DO YOU THINK YOU'RE DOING?! HELP ME, HARU!
HELP ME, YOHAN!
SFX. Slam!
SFX. Hesitant

HARU-OPPA!
ARE YOU REALLY GOING OUT WITH THAT GIRL?!
IS IT TRUE?!
JUST TELL US THE TRUTH, OKAY?!
YEAH, TELL US!
What's with that?
Those girls are really scary..
IGNORED MALE STUDENTS
Hold on!
I think you guys are confused about something

Won is actually my cousin..
The story they came up with last night
Wait..
So that means..
Yeah, Seju is also my cousin
That's the real reason I transferred here
Oh man.. at this rate, I'm gonna become too good with lying
That's right I saw him hanging out with Won before..
Oh, so..

We should be thankful to Seju!
I have no idea what's going on here
This is why you shouldn't trust tabloids
That's to be expected
I knew it all along
Phew I think that worked out well
If Haru is really her cousin, Seju would have mentioned it to me at least.
Anyway... is that guy going to be all right?

Not really
Let me go! I command you to let me go!
I can't breathe!
D- do you even know who I am?!
Yeah, second eldest prince of Planet B-1052. Prince Rhodes.
Of course, right now you're just a sparrow in my hand.
Not a sparrow!

SFX: Squeeze
Just tell me this! why are all of you guys coming down to earth and causing trouble for everyone?!
And of all the people on this planet...
why him?!
Huh?!
There are other members in his band!
SFX (3 times): Smack!
SFX: death rattle
You just HAD to borrow Haru's body and ruin other people's friendship, didn't you?!
I'm going to die...

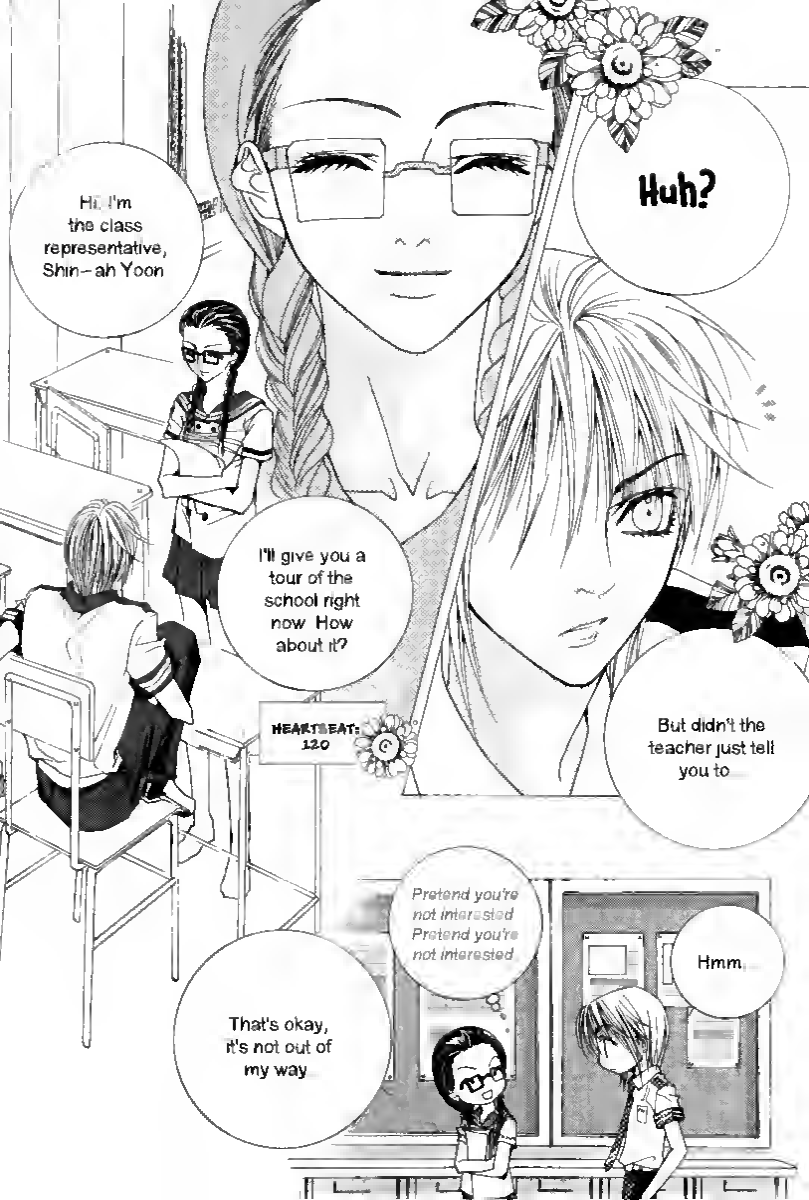
SFX Silent
I don't want to...
...EVER EXPERIENCE SOMETHING LIKE THAT AGAIN!

What an incredibly lovely girl!
I don't believe it
He already forgot that she beat the crap out of him
SFX. wipes
슥 슥

Got worried about him and came to check up on him.
By the way Yohan at this time was...
Would you like some more bread my lord?
You reap what you sow
...feeding Won
SFX Death glare
Um... so... I told everyone that we were cousins, so...
YOU...!
You understand that you're responsible as well, right?
You conspired with that damn bird, and harmed an innocent bystander Me!
You're sorry, right? Right?!

Yeah...
Good
Then here's how you can make it up to me.
You know our class representative? Shin-ah Yoon?
Go and ask her to give you a tour of the school! Got it?!
You have to!!
I'm sorry
How would that make it up to her?
Ugh.
Haru... get me a glass of water...

Well, that's it for homeroom today.
Class rep, collect everyone's physics homework and bring it to the teachers' office.
Class rep, huh...
She looks like she belongs in a movie about the 70's... what's with her hairstyle?
SFX: Turn
Surprised



Huh?
Hi. I'm the class representative, Shin-ah Yoon
I'll give you a tour of the school right now. How about it?
HEARTBEAT: 120
But didn't the teacher just tell you to
Pretend you're not interested. Pretend you're not interested.
Hmm.
That's okay, it's not out of my way

I see
That's the old school building
All our extracurricular and club activities are held there, so if you want to make it in time, you have to move pretty quickly
Thanks... but shouldn't you be at the teachers' office right now?
It's been 20 minutes
Realize!
Oh, that's okay Even though I'm *really* busy, but it's my duty as the class represe-ntative
I want to stay with him a bit more

Heh...

Do you, by any chance, like our music?
SFX: Shocked

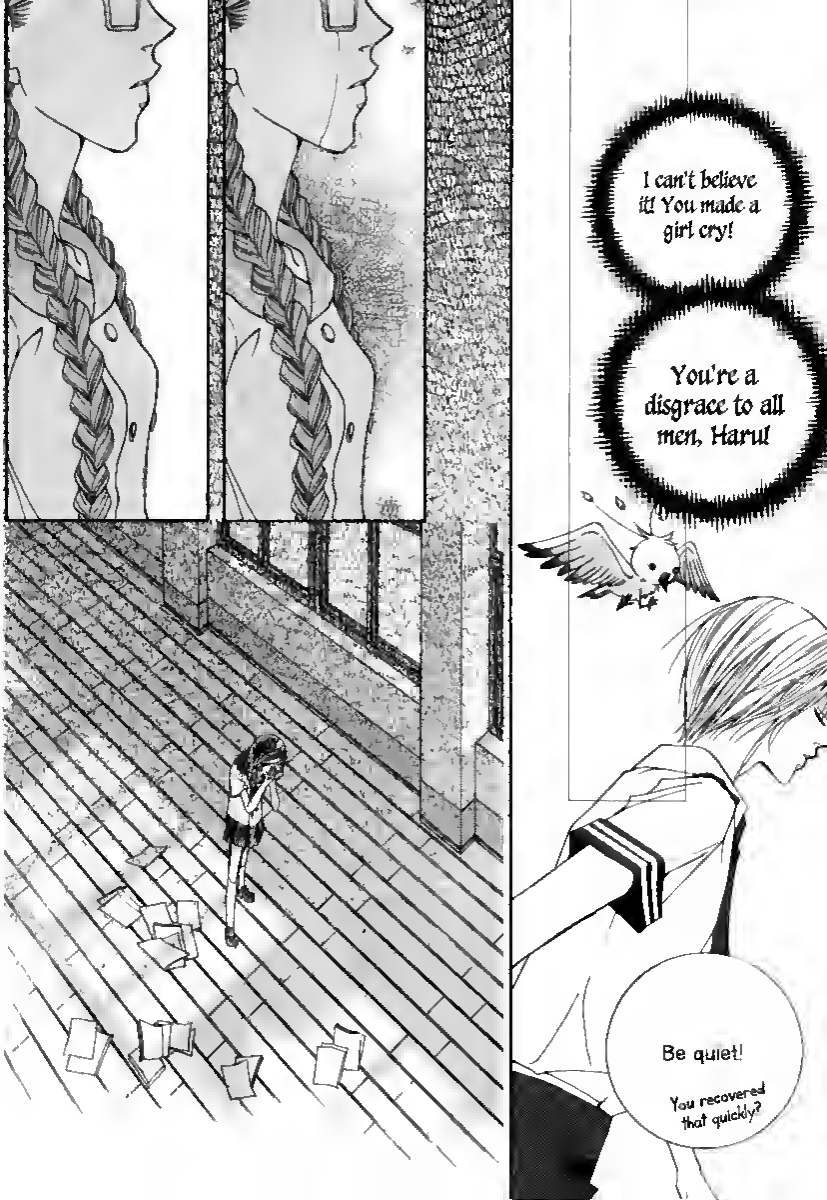
No... sorry... I'm too busy with schoolwork, so I don't know anything about celebrities...
Endure it endure it...
No. Sorry...
You never heard of us? "Spirit"?

Liar.
You're actually a fan, right?
N–no, like I said... I'm...
That cellphone strap...
That's the commemorative gift given to the original members of our fan club. I remember it.
SFX: Blush

SFX Grasp
SFX Fall
좌르륵
As I thought...
it was a bit weird that you insisted on giving me some useless tour...
NO!
THAT'S BECAUSE THE TEACHER ASKED ME TO-!

That's quite enough!
I don't care if someone is ugly
...but I really hate corny people
You know...
I hate dishonest people the most
IT WOULD BE EVEN WORSE IF THAT PERSON WAS A LIAR, RIGHT?!

Well, if you weren't lying,
And you're really a bookworm who's too busy with studying to care about celebrities or even know who I am... it wouldn't matter, right?
Thanks for the tour, but it's not like I'm going to stay in this school forever.
So I don't need to be guided anymore.



I can't believe it! You made a girl cry!
You're a disgrace to all men, Haru!
Be quiet!
You recovered that quickly?

All my life,
I've seen all types of people trying to get my attention
If they like me so much, then they should just be honest and tell me!
All they're interested in is not getting hurt, so all they do is hover around while calculating their chances
How can they become my friend when they won't risk even that much to get to know me?

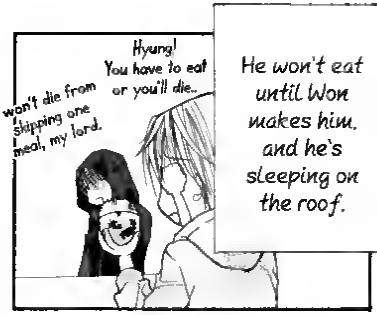
Haha... you're still young, I see..
That's right I'm 18
Is it because they're the same age? They have that part in common at least
Too much honesty is not a good thing you know

I hope you guys will soon realize that excessive honesty will only cause even more conflicts...
An older brother's wish.
Seju~ Can you come downstairs for a minute?
Hm? What's going on, mom?
Here Go grocery shopping for me
what?!

it's too much of a bother Make Won do something like this
Won is already out on another errand
Why do you always try to make your older brother do all the chores?
!
Hey~ Servant!
Go grocery shopping instead of your master
if you want me to wander around this town in these clothes, I'll gladly do it

Just make yourself invisible or something.
Then change your clothes and go!
If you want me to change my cloths, try taking them off yourself!
I'll never change my clothes
If I do, there'll be a grocery bag floating in the air
Damn it!
Have fun~
Yohan was scared that she would actually take his clothes off
Ever since that Rhodes guy appeared..

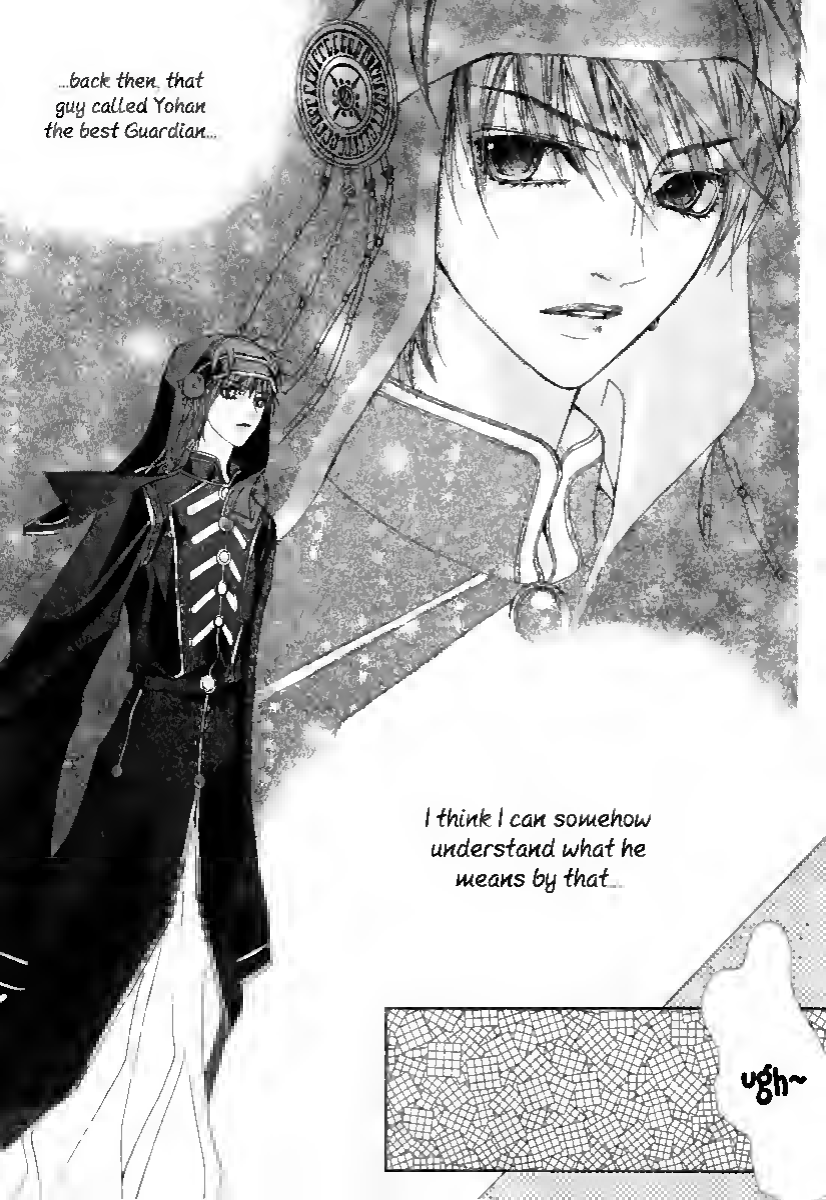
That idiot is practically living on our roof



Hyung! You have to eat or you'll die..
I won't die from skipping one meal, my lord.
He won't eat until Won makes him, and he's sleeping on the roof.

You're way too young to complain about your back!
Ow, my back...
He must be wary

I tend to forget about it in everyday life but at times like this I'm reminded that he's really from a different world
Also...



...back then, that guy called Yohan the best Guardian...
I think I can somehow understand what he means by that...
ugh~

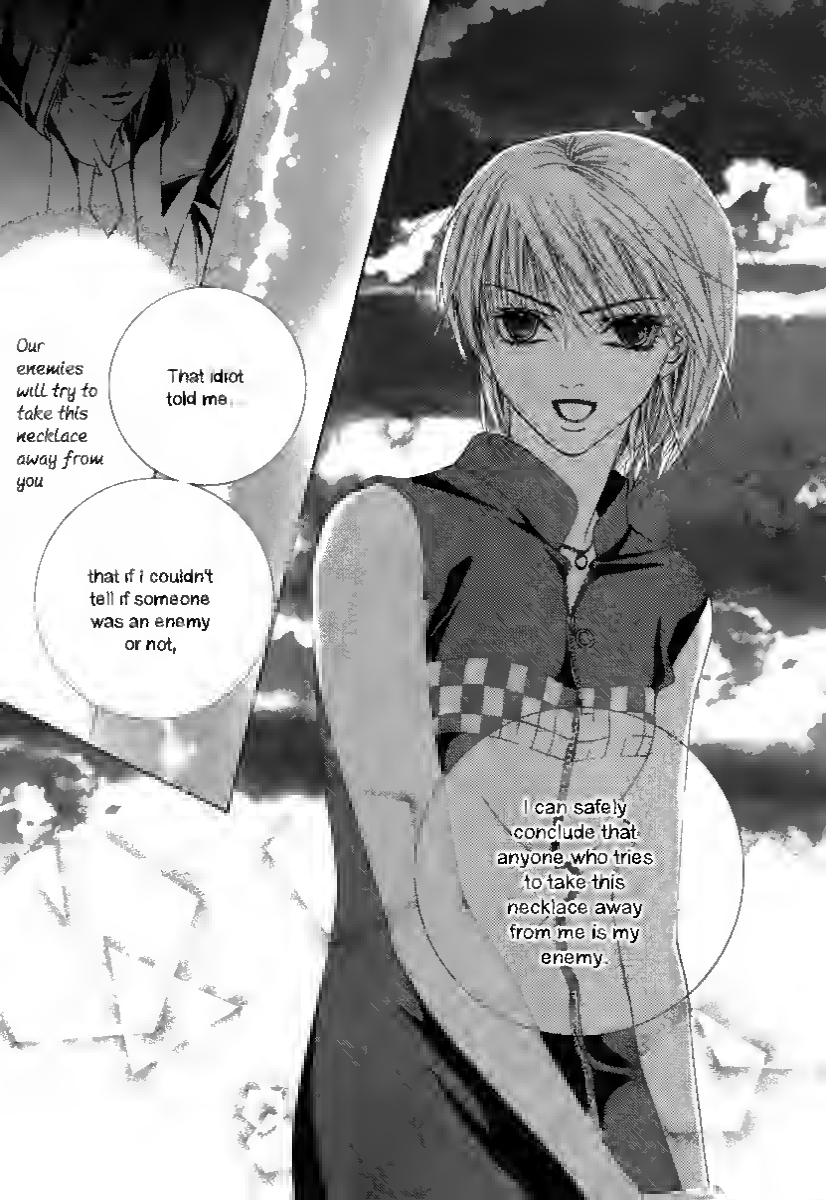
He's useless when you really need him!
Some bodyguard he is!
I take back what I just said!
Excuse me
Are you Lady Gu Seju?
what? who just called me by my full name-!
Huh?

We are the Royal Guardian Knights under Sir Yohan's command.
An emergency?
It's an emergency, so please follow us...
Lord Dominic is missing.

WHAT?! WHAT ARE YOU TALKING ABOUT?! SO DID YOU FIND HIM?! WHERE IS HE?
We will protect you, Lady Seju.
Prince Kayan will not hesitate to kill his own brothers to become a prince
Sir Yohan is currently pursuing them, so...
No way...

SFX
Sparkle
Lady Seju... Would you give me that necklace?
Huh?
Even though it's for your own protection,
it would be inappropriate for a future queen to wear a jewelry given by another man...

Oh... Yeah, sure
If you would, please
SFX: Smack
UGH!
WHAT ARE YOU DOING?!
I almost fell for it.



Our enemies will try to take this necklace away from you
That idiot told me
that if I couldn't tell if someone was an enemy or not,
I can safely conclude that anyone who tries to take this necklace away from me is my enemy.

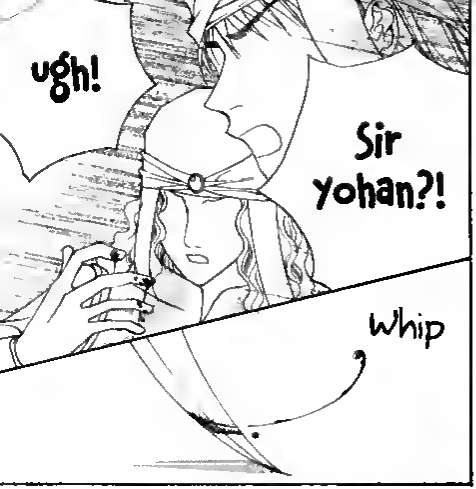
You're a decent actor, mister.
You almost fooled me.
We have no choice.
Grab her.
Ah..!
Got it?

If you're ever in trouble call for me.
I'll be right there.
Shi...
Shin Yohan!!

SFX: Slash
SFX: Rush
SFX: Slash



What's with this idiot?

Why is he being so polite all of sudden?

SFX Ah ha!

He's being respectful because others are watching

After all, I'm the future queen

Well, then Don't mind if I do!

Why are you so late?!

I was in great danger, you insolent dog!

I'm going to kill her!!

It's been a while, Captain of the Royal Guardian Knights.
SFX: Step
When did it become appropriate for Royal Guardians to leave the palace undefended on whim?
You are, of course, prepared for the consequences?
Or, for that matter, to deceive and endanger the future queen of our planet...

fu
fufufu
Didn't you know?
Right now, the palace is split between two factions.
Those for Prince Kayan...
And those for Prince Dominic.
Prince Kayan is both talented and of age.
And don't forget – he's actually living in the palace. It's not surprising that most of the court has chosen to support him.

No matter how capable you are, you're still surrounded by so many enemies
Did you think you could give the throne to that weakling?
따악
SFX. Slap

Disappear...
Before I go,
I'll let you know something very interesting.
Today, we came here...

...on orders from Prince Rhodes.
Prince Rhodes did this?
That guy?
Strange...

He didn't look like someone who would do something like this.
Is he...
tired of the years of wandering....
What?
Don't worry about it.
I noticed that the Captain had a scratch on his face Did you do that?
Yeah.
I thought I was in trouble, so I hit him.
A future queen who beats up the Captain of the Royal Guards.. first time in our history, I'm sure.
So what?
Somehow... that feels like an insult...

In any case...
I'm glad that you're a really smart woman.
Pick those up
Umm...
I like the flattery, but he switches back to informal speech as soon as we're alone.

We're going back to the house.
I have to confirm that Prince Dominic is safe
Yeah, that's good and all... but can't you help me with the groceries?
Huh?
whoa!
헉
SFX- Whoosh

W-we're flying!!
But...
She's really slim...
Yeah... What was I thinking, expecting a cute trait like acrophobia from someone like you.
"Trick"?!
wow, this is awesome! you've got a lot of tricks up your sleeves, for sure!
I can't believe I have such a convenient *vehicle*! And it's free!
I'm gonna use it all the time!
Since I'm the future queen, that isn't too much to ask, is it?

In that case, you'd better lose some weight
My arms are about to fall off
What did you say, you idiot?! How dare you insult my nice figure?!
Nice figure, my ass! From your shoulders to your waist, you're nothing but straight lines!
I'm Size 23!
So what? That's my Size too!
Oh, yeah?! Let's measure it, then! If you're over 23, you're dead!
Careful! You're going to fall!
Hey! Get your hands off me!
SFX (4 times): Pant
헉
헉
헉

Fought all the way home and now are exhausted

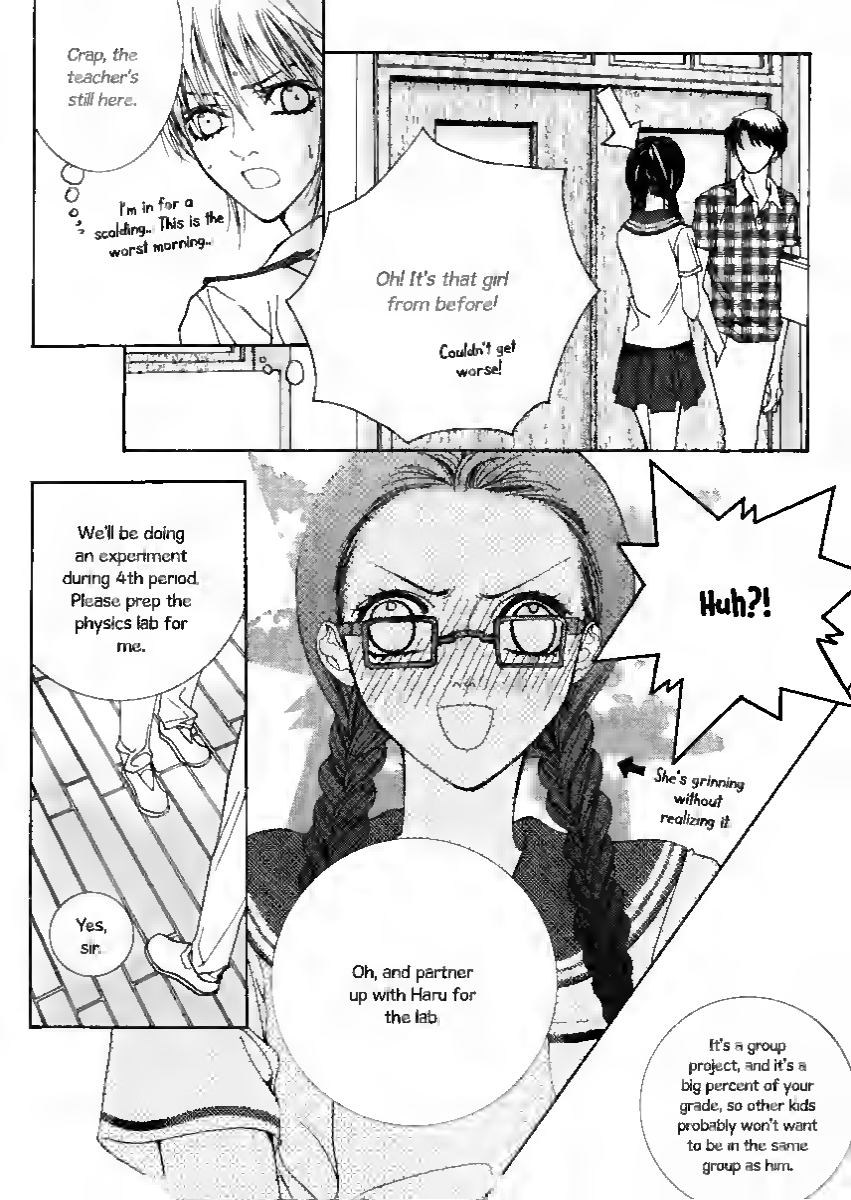
You're home?
That took you a long time
M-mom.. He's...
Won? He came home right after you left.
Well? How's Mommy's new cookie recipe?
It's tasty!

You made everyone worry about you, and you're sitting here eating cookies?!
Ah! My cookie!
Seju! Don't pick on your older brother!
Give it here! No more cookies for you!
Venting frustration
He's not stopping her
The next day
Oh, man! I'm gonna be late!

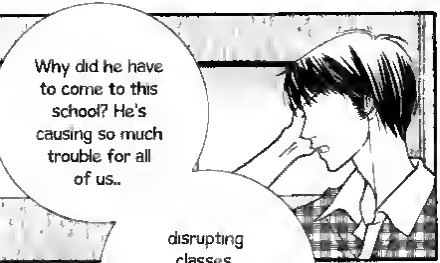
Hey, what the hell?
You promised to wake me up! That's why I took you to the movies!
Well, I tried my best...
...but perhaps my wingbeats were to gentle to wake you
Ugh...
SFX: Dash
Ch Ch Ch Ch
I'm never raising a bird again!

Haru!
And he didn't even call in. Tch
Lee Haru! Is he absent?
I hate people who only make excuses
I really hate corny people.
Am I that pathetic?
He said such terrible things but I'm still looking over at Haru's seat all day
And I absolutely despise liars
I don't like this at all..

Class representative!
..Rep.
Class rep.
Come up here for a minute.
Tch!
Class reps don't even have time to think
Y-yes?!
I'm here!



Crap, the teacher's still here.
I'm in for a scalding.. This is the worst morning..
Oh! It's that girl from before!
Couldn't get worse!
We'll be doing an experiment during 4th period. Please prep the physics lab for me.
Yes, sir.
Huh?!
She's grinning without realizing it.
Oh, and partner up with Haru for the lab.
It's a group project, and it's a big percent of your grade, so other kids probably won't want to be in the same group as him.



disrupting classes, dropping everyone's grades...

This year's tough enough already, and he's making it so much worse

Maybe he'll transfer to some other school soon.

Haru...
Why...
Why would you say something like that?
Uh... Shin-Ah?
How can you say something so horrible?
Haru hasn't done anything wrong!

Ah!
Teacher made Shin-Ah cry!!
Were we so close that she would be crying for me?
No. I said some pretty terrible stuff to her before
SFX Waah~
아아앙
Depressed from before
Why is she crying?!
H-hey what's wrong with you all of a sudden?
Shouldn't she hate my guts?

How can you do something like this?!
She gave her body and soul to you for your sake, and you're making her cry like this?!
Hey, stop saying stuff like that! People might misunderstand..
And don't point at me!
Well then, why don't you go help the poor class rep prep for lab?
SFX: Ah
LABORATORY

SFX. Awkward~
어~색
Ugh! I really hate myself at times like this!
What am I supposed to say to her?
Seju. You're...
You're too much.
I'm the one who asked to be your friend, and I'm always clinging to you...
So you must think I'm a joke

Right?
Please believe me, I would never-!
That's what I thought at first
But...
I couldn't help it
N-not at all!
The one that falls for the other first is the one that's going to lose
Even if my pride is hurt
Even if it feels like it's unfair to me, I can't help it

Uuhhh...
W-what? Hey! What's the matter?!
Despite that wanting to be closer and wanting to stay by the other's side that's what it means to like someone
So... that guy...
He would dare say something like that...
Let's see how well he speaks after we staple his mouth shut!
No, don't do it, Seju!
It's my fault...

I should have been even more deceitful..
I had that phone strap forever, so I forget about it...
Anyway, for now,
I'm really happy that I made up with you!
You're next, Spirit! Please stand by!

I can't shake the image of that girl crying earlier today
Let's go!

와아아
SFX: Kyaaaa~

Haa...
Fine
It's still annoying
but I guess I can try accepting that
That was just her way of expressing her feelings to me
Congratulations! The Ultimate Duo is Back!
I'm completely trapped now...
Um... Seju?
Let's watch the music video from Spirit's second album together. You know, as a commemoration of us making up.

VOLUME 3 CHAPTER 10

You were attacked?
No Problem
Oh, it was nothing.
When Yohan came and said, couple of words, they went away.
The opponents were adults too.
Yohan has...
one scary personality.
Even if the opponents were adults, Yohan's rank is higher.
Oh, right
Do you want me to tell you a way to avoid the Royal Army?
Huh?

Originally, people from my planet cannot stay long in Earth.
We are neither able to communicate to human nor use our powers in Earth.
So we use a device that enables us to do that. The army probably has their device on their chest.
Yeah.
Oh, you mean like Yohan's earring?
Of course they will have it hidden, but it with break with enough force.
So you are saying I should hit it?
SFX. Nod

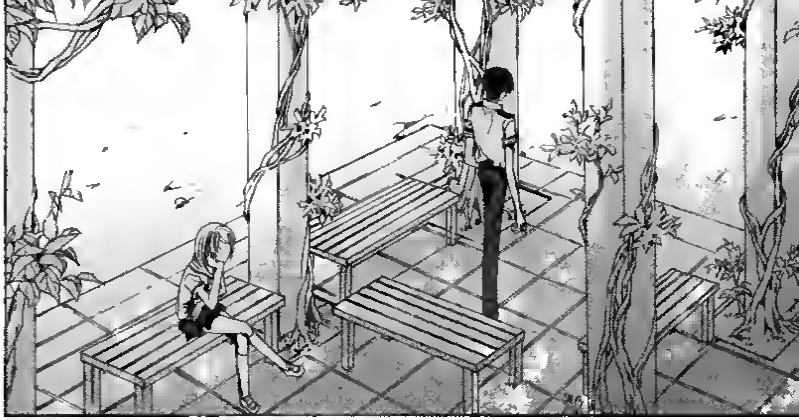
Alright! I am invincible now!
They are probably not going to fall for it twice, so use it when it's absolutely necessary.
Let the Royal Army come at me all they want!!!
If you break the device, they will have to retreat for a while.
Reeeaally?
SFX: KU KU
Then when Yohan's being an ass, I can just yank off his earring...
you can't do that!
Even if it's as a joke, don't ever do that.

Well, I wasn't really going to do it.
Alright then.
??
Doesn't understand
Yohan's earring is like his life to him.
Yohan is considered the most powerful King's Advisor of the history.
When Yohan chose Dominic as the successor of the throne,
there was a rumor that Yohan was trying to use young Dominic to rule the Kingdom.
So they decided to limit Yohan's power.
...This earring may let you live as the King's Advisor, but it may kill you as well.

Since everyone is worried that you will control Dominic as you wish,
this earring will not let you use anything more than the necessary power.
this earring comes off for some reason, it will be considered an act of rebellion and you will be put to death.
Will you accept this even under these circumstances?
Wha...
what kind of bullshit is that?!

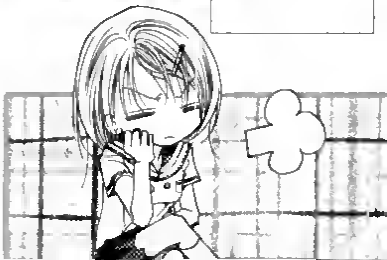
There are people who are trying to kill Won even within his own family!!!
Then...
I'm sorry that we pulled you into this mess.
...
How is Yohan supposed fight them...

Even though I am now nothing but a half-prince,
I don't want my brothers getting hurt.
So if you need any help, feel free to ask me.
...you and Wonu are so alike.



Strange creatures...

That boy who left his royal position and his family...
...and that other boy who's trying to make hopeless boy become a king



I love the fact that Earth still has all four seasons~
It's so much lively than our planet's artificially created seasons...
SFX: SHIP
. do you like Earth that much, Prince Rhodes?

What?
So you don't care what happens in our Kingdom?
?
A while ago, you sent the Royal Army to kidnap Saeju.
You left because you were sick of brothers spilling blood over the throne.
I found it quite shocking when you sided with Prince Kayan.

What? What is this all about?!
I have never...
It doesn't really matter now.
Whose side you pick won't change the fact that Prince Dominic will become the King.
However, I won't be so kind like my previous King's Advisors.
I will eliminate those who were an enemy of Prince Dominic once he becomes the King.
Are you prepared for that?

What made you think that I ordered the Royal Army?
Did they tell you that I sent them?
What if they were lying?
What if they were trying to make us hate each other?
WITH THAT ATTITUDE OF YOURS, YOU JUST MADE ANOTHER ENEMY.

You are isolating yourself that way.
And that is exactly what Kayan wants.
However, can't you see that the royalty of yours is making the people around you to turn away from you?
It's alright to be royal to your master.
But you are always criticizing Prince Dominic...
what are you saying?!

I only scold him as an older brother would.
So... You are saying that you want Prince Dominic to become the King?
OF COURSE!
...Huh?
SMIRK
Thank you, Prince Rhodes.
I am now certain that you are not our enemy.
ISn't it natural for me to sympathize with Dominic who has the same mother as me?

핫!
SFX. AH
yo... yohan, you...!
How DARE you test me?!
I really had to make sure who were on Prince Dominic's side.
I'm sorry. I never really believed what the Royal Army said but...
Favor?
This arrogant bastard!
Cannot speak due to shock and embarrassment
I have one favor to ask you.
Please take care of Prince Dominic in place of me for a while.

What?!
It seems that the situation in our kingdom has changed significantly while I was gone.
I can't trust anyone from the kingdom right now.
So while I go to the kingdom to check...
?

SFX. Thump
Please take care of your ADORABLE younger brother.
SFX. Swiftly leaves
Then I will be going.

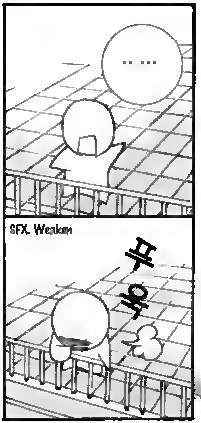
I don't know why he's being so shy about that.



SFX. Weaken

He really had me fooled there...

Yohan will pay for this later on.

Rhodes...
Hyung—
Take a look at this.
Where did he go all of the sudden. ?
?

It says our album contains plagiarism again.
KIT 2ND ALBUM: PLAGIARISM?
Popular dance group Spirit's Second Album is under the suspicion of plagiarism. Netizens claimed that Spirit's title song and three songs of the new album are similar to United State's M.C. Navy's songs
SFX: Anger
What?!
Do they know how long it has been since our album was out?
Plagiarism my ass! Are singers some sort of backup when there's nothing to write about?
SFX: Rip rip rip
what?! M.C.Navy? I have never heard of that group!
Haru hyung, don't get so worked up over it.
Yeah. It's always been like this.
Pant... pant

You are not the one who writes the songs so Shut the hell up!
So... So mean...
I am as angry as I am worried.
Before I went to an all-boys school so I didn't really mind but
In this school...
Haru-oppa fighting! Spirit forever DON'T GIVE UP!
Class 3-1 loves you
As expected...

This is embarrassing.

Oh, and about the other day...

woah!
She's quick..!
Already in her seat
I guess it's not that easy.
I at least wanted to say 'I'm sorry'
Is she still angry at me?
I talked to Haru again—
She is not angry at all.
Meanwhile Rhodes is...
FLUTTER
I'm exhausted. I've been flying all day
FLUTTER
And this bastard...

Why does he eat so much?!
He's eating with his hands, too...
Won, are you coming back from the store?
Do you want some Coke?
I made this for Domestic Economics
Woah— thanks.

He gets along well with humans
He's never that social in our Kingdom
How great would it be if he was this cheerful and straightforward in our Kingdom...
I guess...
It's all natural.
Ah!
He was always pressured under his older brothers
?!

SFX. GLARE
Wha..
Did he realized it's me?
It can't be
Won, come here and try my bread.
Okay
SFX. CHUU
Again?!
SFX. SWIFT
Shit...
Why is Prince Rhodes here?

I was planning to take Dominic away when Yohan wasn't around. Was I too late?
Damn.
Ah!
Haru!
Huh?
Rhodes? Where did you go without any notice?
About that...
THE TWO ARE SEPARATING!
Good
This is my chance!

I heard that Prince Dominic lost all of his memory
Then if I disguise as a human and lure him with the one thing that he wants...
SFX: POOF
What Dominic wants the most for the moment
Huh?
T/N: That circular thing is bread... Dominic wants more bread.

Heh— you have to watch over your brother?
Yeah.

My wings feel like they are about to fall off...
But your brother...

He's walking away over theeeerrrree.

That person...!!
Crap!

I have people who will cry if I die.
SFX. Pant Pant

I think you are the one who needs to calm down.
wait until I get up there! Okay?
You... You can't do that!!!
(a...calm down!!!
Do what...?
!
Oh that!

Heh.
Shall I tease her a bit?
SFX. Rush
No—
You can't, Haru!!

Spirit's leader Haru, Committed suicide while stressing over the plagiarism scandal
SFX: Tang
Haru...
Thank goodness he's still alive
You can't EVER do that!
SFX: Ting
I tried to do it without anyone noticing,
but I guess you found out.
Sinna was a very imaginative girl.

Oh well, that shouldn't matter now. I will do it anyway.
NO!
Anything but that!!
Think about all the fans you have!!
Think about how miserable your parents will be!
She's being really frantic.
Heh heh..
Hey— calm down please? We should calm down and talk this over...
I'm tired of everything.
SFX. Jump!
...Sorry.

SFX: Thud
I didn't
I didn't even have a chance to confess...
I didn't even have a chance to tell him that I am sorry!!
I didn't even have a chance to tell you I like you—!!
You can't die—!!

SFX. Peek
SFX. Smile
See?
Ahaha.
That expression
is the best.
You are so much
cuter when you are
being honest.

Kya! Gho... Ghost!!!
I'm not a ghost. Didn't you know that there's a foot step here?
I was just teasing you.
SFX. Teary
SFX. Waaaaaaaah
SFX. Waaah
Did I scare you that much? I'm sorry.
SFX. Sniff

빰빠라빰!
Hey...
Can you tell me your name again?
Congratulations Shin-Ah!
SAMSUNG
Prince Rhodes! why are you interfering with my work?

I am only bringing Prince Dominic back to the Kingdom as Prince Kayan instructed me to do!!
Kayan?
What are you going to do with a boy who lost all of his memories?
Make him sign a form for resigning the throne?
That's despicable!
I do not approve of this!

Go tell Kayan...
...to fight fairly when Dominic regains his memories.
If he doesn't, then I will become his enemy.
And I can tell you right now...
That I will be one of the most burdensome enemies.

I guess I can't do anything,
if he's opposing so strongly like this...
I will be going then.
Very well. I will be sure to tell him that, Prince Rhodes.
SFX: Poof
풍
Made himself visible to Won

Dominic! Let's go back.
Ah...
Successor...
of the throne.
KAYAN!!!
SFX: Jerk
No!!!

This bastard—
After I save him...
Calm yourself, I'm your brother!!!
I don't want to!!!
I'm not your enemy!
No!!!
If you are a prince, then act like one!

You are not improving on fencing or on anything in particular!
Are you trying to disgrace our royal family's name?
.....
SFX: Tears
...I'm sorry,
Hyung-nim
I didn't know how to deal with my little brother who always shrank at my scolding
ALL I wanted for him to become stronger for his sake...
SFX: Swoosh
?
...Huh?

Where did he go?
He disappeared
SFX: Flutter
Ah, It's a bird!
Woah— it's so pretty.
Alright.
If I can't become a king in his place...

Then the least I can do is watch over him as he makes his way up to being a king.

REVENGE I

You couldn't even accomplish a freakin' simple task!
You are a failure! A loser!!! A dog that lost a battle!!
Go bark like a beaten dog. You don't deserve to be a Royal Guard!
SFX. Ah....

SFX. Defeat
I feel better now.

REVENGE II

Do you know that you talk like a creeper?
Your clothes look cheap as hell. And who in the world wears a turban?
Plus, what kind of hairstyle is that? If you were a human every girl would've rejected you.
Oh, and don't ever get a bob cut either! You looked hella gross in it last time!
There. I revenged him for you, Lackey.
SEX. Death
Somehow I feel sorry for him.

Oh, my..
They are so cute...
If only...
...they would stay like this forever... but I guess they can't.

Now then... I will return your memories.
Sparkle
Mmm...
That's all for today. Class dismissed.

Is it all right if I to go see Saeju?
Go ahead, my Prince.
yay!
She should be back from school by now, right?
Wha...?

She's crying?
I want to die!!
I don't want tomorrow to come!!
He rejected me! Even after I gave up everything just to confess!
NO, SAEJU!
NO!!
OPEN
By tomorrow Yuna will find out_

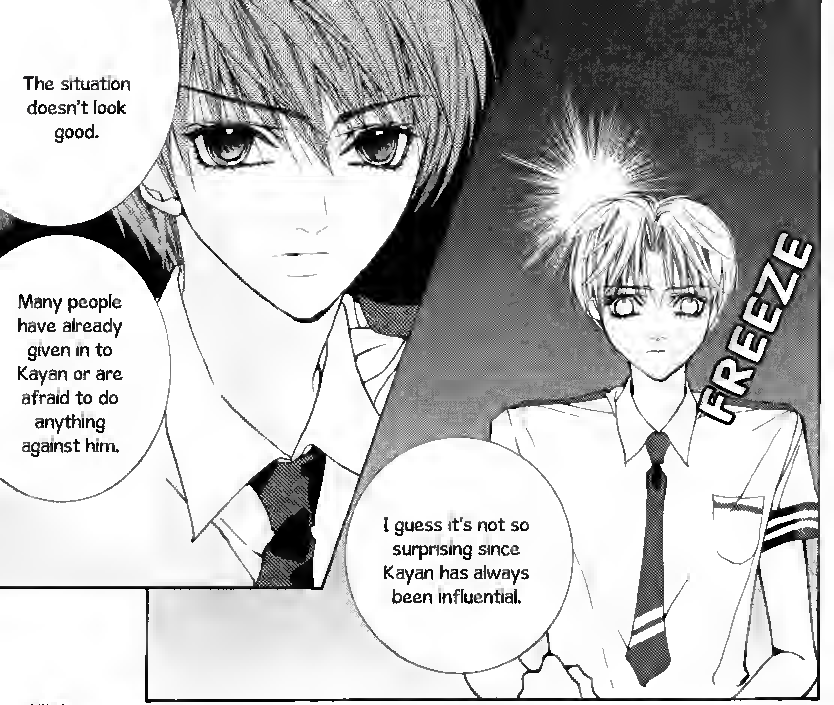
Hey, you jerk!!!

How many times do I have to tell you not to come into...!!
Hmm?
My memories are back?

You used the King's ring last night, didn't you?
Don't worry. I only returned what was his
...?
My, my! What an uptight face to be wearing so early in the morning..
Good morning, mom.
Did you sleep well, Saeju? Won?

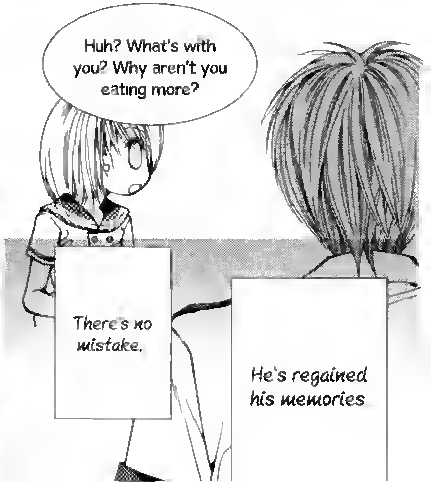
AAAH—!!
Returned... something Prince has lost?
The usual response.
Did you sleep on the roof again?
Are you okay?
Today's response.
AVOIDING
YOUAM
I only returned what was his...
?
...?
What's wrong?

That means—!
Hey, where were you yesterday?
I didn't see you the whole day.
I went to visit my planet.



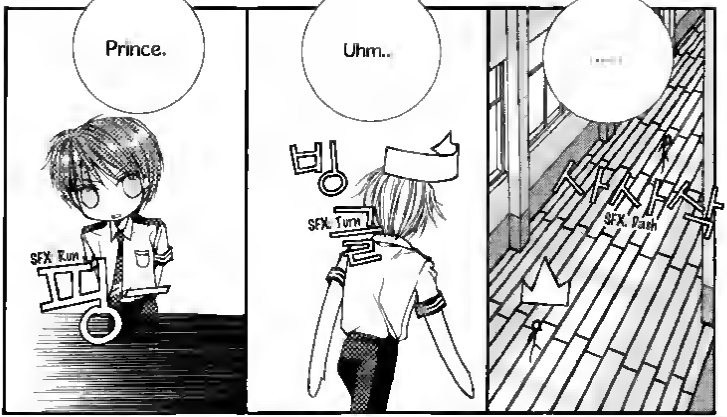
The situation doesn't look good.
Many people have already given in to Kayan or are afraid to do anything against him.
FREEZE
I guess it's not so surprising since Kayan has always been influential.

SFX: Nom nom nom
Thank you for the food.

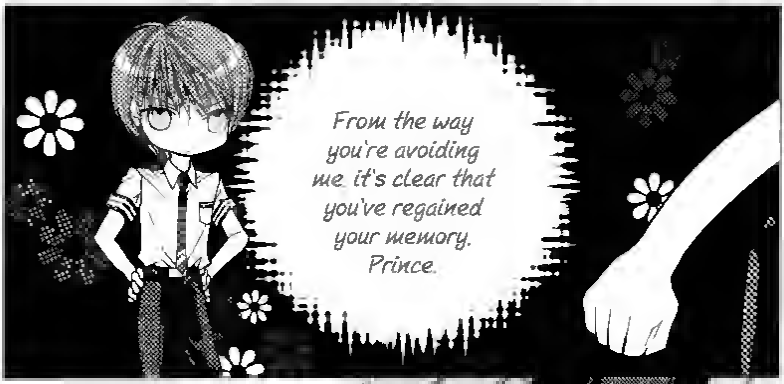


Huh? What's with you? Why aren't you eating more?
There's no mistake.
He's regained his memories

But–
I never would've guessed that she was the one who erased the prince's memories..
I'm off!
Ah! wait for me, prince!!
Sorry— I'm going to head out first!
Ah! You traitor!! Leaving us behind!! Wait!



Prince.
SFX. Run
Uhm..
SFX. Turn
SFX. Dash



From the way you're avoiding me, it's clear that you've regained your memory, Prince.

Sorry Yohan-hyung
But I want to stay like this a bit longer

I'm scared of my brothers
I'm happier when I am 'Won' than when I am 'Dominic'
Honestly, I don't want to fight anyone
SFX Sigh

This is bad.
Hiding from the problem isn't going to make it go away
Why do I have to fight with my brothers?
I don't know why Yohan-hyung chose me
To tell you the truth..
I don't want to be King
I understand why he wants to run away
I know this path will demand many sacrifices
But... there's no other choice.

You are the only one who can create the utopia I have dreamed of...
Prince.
wAH!!
.....
Smile
THUMP
THUMP
You should know...

Saeju's mother asked you to go grocery shopping for her
So you can enjoy this peacefulness while you can
I'll pretend I haven't noticed for a little longer
Oh!
She said you should go with Saeju because she knows the shopping list.
I'll let you rest a bit longer
Was that what you were trying to say all morning?
What else could it be?
SFX: ha ha

Oh, really? I see, I see~
He's really naïve...
The situation has gotten worse...
...but if I stay alert it should be safe
Saeju!
Would you.. pinch my face?

PINCHING AS HARD AS SHE CAN
There.
Ouch!
Oh..
Satisfied?
I guess it really isn't a dream.
What's with you?
Saeju.. I...
what?!
you're dating that bastard celebrity?!

I can't believe it either.

I couldn't believe it so I texted him about it...

SFX: Vibrating

Haru, are we really dating?

If you ask one more time, I'm gonna change my mind - - - I have to go for a shoot.

A message...

A text message from Haru !

SFX: Faint

Don't faint over something stupid!

But are you going to be okay?

If something goes wrong

Aren't you the only one who's going to get hurt?

Maybe
We're dating for now, but it might not work out between us.
But... I want to take the risk!
Haru promised to give me his heart.
as long as I'm real with him.
He said that?
Yeah. Isn't that romantic?
Heh, I didn't know he could act so cool!
But...

The person who's most important to me is you, Saeju.
So...
Let's be...

I told you not to use my full name!
Aren't you the guy from the tennis team?
yeah!
Huh?
SFX: Pow

Oh, that?
why did you stop your business(?) all of the sudden?!
'Cause of that, our team keeps losing, and now we're on the verge of disbanding! Let us borrow Won again!
Well, I'd really like to, but...

A certain someone keeps interfering...
Don't you dare use the prince for such a lowly ambition...
Huh?
Why?
I want to do it.
I like to exercise that way. It's fun.
If Saeju wants me to, I'll do it like always~
Aw, you cutie!

You heard him.
SFX
Then, tennis team first!!
what? No, baseball first!!
Screw you all! won likes soccer best!
Oh, my. What to do?
Won will die of exhaustion if he's to help all these teams.

Why is the bodyguard just watching his prince do everything himself?
SFX: Kukuku
You'll help him out, won't you?
Won't you?
SFX: Grin
All right, guys! I'm pleased to introduce a new hero, Yohan Shin!
He's now for sale, so please register for him as well!
Are you serious?
what the hell does the Flower Club need Yohan for?
Flower Arrangement Club needs help!

Fencing?

There's a fencing team at our school?
>_<
you...!
Even if the fencing team is small, we're not so desperate that we'll take on someone who doesn't know the rules!
How bothersome
Especially you, Yohan Shin!!
Let's see if you're really as good as they say! Come with me!
What did you do to get the seniors to hate you?

Have you played before?
Fencing Team Captain GuangSuk Na
A week ago, his girlfriend dumped him, saying, "I like Yohan."
I have only read about fencing...
It's light
But I've been handling swords since I was born, so I guess it will work out somehow.
KYA!!!
He's been handling swords ever since birth!!
GuangSuk's ex gf, Misa:
She's somewhere in the crowd.
What kind of lie is that?
I will make you regret that you didn't wear the helmet!!
헉-

SFX. Clang
Uhm? Yohan's losing.
The captain's impressive.
He has to be. Fencing team survived all these years without any supporters
It's all because of that sunbae's scores.
That boy...
He's a total amateur.
After all his fancy talk, he's actually losing?

SFX_Rattle
Don't think you can fence just 'cause you're athletic.
You get it now?

Success! I embarrassed Yohan in front of everyone!

So...
That's how fencing works...
What?

I thought you were trying to hide the fact that you got your memories back?
Here I go!
Well, I already promised I'd pretend not to know, so I'll let it slide this time.

SFX: Clang!

Even so he didn't let him win.
Of course not. Victory is harsh.

Is that a challenge?
Alright! It's my turn!
